# Requirements Cross Reference

Proposal Quick Start's Requirements Cross Reference feature simplifies requirement tracking by automatically mapping paragraphs across or within documents, such as mapping Federal Sections L, C, and M. This ensures comprehensive and consistent identification. For greater precision, users can adjust the similarity threshold to fine-tune paragraph matches, boosting accuracy and efficiency.

24 (378) L.14	prior to submission of the offeror's Phase 1 proposal submission. L.14 VOLUME IV - CONFLICTS OF INTEREST (OCT 2020)										
24 (379) L.14-1	L.14-1 In accordance with Section H.1 of the solicitation, the offeror **shall** complete and submit Attachment J-5 Contractor/Offeror Conflict of Interest as Volume IV, with its proposal (or a document containing similar information). A response **must** be provided for all sections of the form even if no conflict exists. The Prime Contractor/Offeror **shall** conduct an analysis of each of its subcontractors' COI submissions (Attachment J-5 or similar information) in order to ensure that the subcontractor can perform services conflict-free. The Prime Contractor/Offeror **shall** include each of its subcontractors' analysis with its proposal. The Prime Contractor **shall** not submit the underlying J-5 for subcontractor disclosures to CMS, however, the Contracting Officer may request a copy of the subcontractor	The Centers for Medicare & Medicaid Services (CMS) seeks a contractor to develop and maintain training and content for use by customer service representatives (CSRs) within its Contact Centers of Operations (CCO). These training and content materials are used by CSRs to respond to inquiries. The training and content materials **must** be complete, accurate, and consistent across all contact center channels. Independently, and not as an agent of the Government, the contractor **shall** furnish the necessary services, personnel, materials, equipment, and facilities, not otherwise provided by the Government, as needed to perform this contract.	3.1.3-1 In accordance with the content-management plan, the contractor **shall** continuously conduct environmental scans of relevant statutes, policies, and regulations to identify outdated content for revision, alerting CMS of each required change. When a change has been identified or confirmed by CMS, the CTC contractor **shall** locate all affected materials, conduct research, perform impact analysis, develop the new scripts in Spanish and English, and secure CMS approval for the updates, then load into Content Viewer.	Document Name: Section C Page No. 10 Paragraph No. 126 ... n. The c... ch, the opportunities are to be organized into a comprehensive plan. In planning for execution of the CI opportunities, the contractor **shall** treat each opportunity as a subproject, which has all relevant Project Management Institute (PMI) management characteristics (e.g., integration, scope, cost, risk, etc.) Execution. The contactor **will** implement an approved list of improvements identified with CMS, including updating any relevant content, training, or standard operating procedures (SOPs). **Should** changes in the planned execution arise, the contractor is to stop work on the execution and review changes with CMS prior to proceeding.					In accordance with FAR 9.504(e) and Section Agency Specific Clause Section H.1 Conflict of Interest (OCT 2020), the Government **will** evaluate the Attachment J-5 "CONTRACTOR/OFFEROR CONFLICT OF INTEREST" as well as other information, as appropriate. The conflict of interest evaluation **will** not result in a score/rating as it is only applicable to the Apparent Successful Offeror.		
25 (380)	SECTION M – EVALUATION FACTORS FOR AWARD										
25 (381) M.1	M.1 FAR 52.252-1 SOLICITATION PROVISIONS INCORPORATED BY REFERENCE (FEB										
25 (382) M.1-1	M.1-1 This solicitation incorporates one or more solicitation provisions by reference, with the same force and effect as if they were given in full text. Upon request, the Contracting Officer **will** make their full text available. The Offeror is cautioned that the listed provisions may include blocks that **must** be completed by the Offeror and submitted with its quotation or offer. In lieu of submitting the full text of those provisions, the Offeror may identify the provision by paragraph identifier and provide the appropriate information with its quotation or offer. Also, the full text of a solicitation provision may be accessed electronically at this address: https://www.acquisition.gov.
